

Dear Board,

My name is Grace Nsota, mother of Elia-Anne Ezekiel (CE2 C), who recently joined the school after we moved back to Johannesburg, where I lived 10 years ago.

I bring over 14 years of experience in Tech across Africa. I hold dual Master's degrees in Organizations Engineering (ISMANS) and Management of Organizations (UQAC). My career has taken me from Thales, where I worked for 9 years in Johannesburg, Lagos, and Abidjan, to COO roles at Bee Moto-Taxis and Klic (BKG Speed) in Togo.

After 9 years in West Africa, I'm excited to be back in South Africa and look forward to contributing to the school community.

Thank you for your consideration.

Best regards,
Grace Nsota
