Dear Board,

Please accept this letter as notification of my candidacy for the School Board of Directors at LJV. I am the parent of a new primary school student, Zurii Gxabu. I am keen to serve on the board to contribute to strong leadership, governance, and diversity in its various forms.

Born and raised in Chicago, USA, before living in Washington, DC, Tanzania, and now South Africa, I am a financier that manages government and foundation funding, and an entrepreneur that works in various spaces including travel, food & beverage, and tech. I hold degrees in Finance and Business Administration. An avid traveler that has visited over 65 countries, I also enjoy yoga, running, and the culinary arts.

Kind Regards,

Kelsy Horton
