Marc ZEIGER-GUERRA se présente à sa réélection au conseil d'administration et souhaite maintenir la dynamique positive des neuf derniers mois. ZEIGER-GUERRA est le père de trois enfants du LJV (August - CE2, Julien - 6ème et Milo - 4ème), qui ont fréquenté trois écoles AEFE différentes au cours des dix dernières années. ZEIGER-GUERRA représenterait les communautés non françaises et non francophones et, en tant qu'ancien parent de Pretoria, estime que le campus de Pretoria fait partie intégrante du LJV. ZEIGER-GUERRA apporte 20 ans d'expérience en gestion de projet, marketing et communication, et a auparavant siégé dans les conseils d'administration et divers comités de plusieurs organisations à but non lucratif. ZEIGER-GUERRA reste désireux d'être à l'écoute des familles et de porter leur voix, de les soutenir et les défendre, tout en travaillant avec l'administration pour créer un environnement scolaire qui prône la mission de l'AEFE et dépasse les besoins des élèves.

Marc ZEIGER-GUERRA is running for re-election to the School Board and seeks to retain the positive momentum from the past nine months. ZEIGER-GUERRA is the parent of three LJV children (August – CE2, Julien – 6eme, and Milo - 4eme), who have attended three different AEFE schools over the past ten years. ZEIGER-GUERRA would represent the non-French, non-Francophone communities and, as a previous Pretoria parent, believes the Pretoria campus is integral to LJV. ZEIGER-GUERRA brings 20 years of project management, marketing, and communications experience, and has previously served on the executive boards and various committees of multiple nonprofit organizations. ZEIGER-GUERRA remains eager to listen to families and be their voice and advocate, while working with administration to create a school environment that champions the AEFE mission and exceeds students' needs.
